For research courses in art history, cozy, inclusive, engaging and the historia of global art brings the history of art to life for a new generation of students. Balancing both the traditions of art history and new tendencies of the present, art history is the most comprehensive, accessible and magnificently illustrated work of their type. Presenting a global art vision through the months, the history of art introduces the student in a positive and sympathetic way to the works of all artists, including women and color artists, and for Arts from other continents and regions, in addition to the Western countries Europe and the United States. The book is published in 3 Versions: Complete Volume Volume 1 and Volume 2 Brief History History Art, 6th Edition, Stokstad and Cothren The latest edition of art history is 6th (2018) Edition. Note: The Revelation is a totally digital delivery of Pearson's Content. Although the arts of Europe are the most detailed respected scholars, respected in several specialty fields cover other cultures with cogent essays. The guiding vision of the art history is that the teaching of art's history research courses should be filled with equal pleasure, pleasure and learning, while fostering an enthusiastic and educated public for the visual arts. 3. Note: Coverage can not represent the actual copy or the condition available: This set of two attractive packaged volumes attempt an almost impossible task: presenting the art of the whole world, from vibrant cave paintings to 30,000 years for the creative tendencies of the end of the XX season. - John Stevenson of the publisher: Marilyn Stokstad's art history is the text of the art story for a new generation of teachers and students. , Libraries the 6th edition (2016) of the art: a brief history is in the collection of reservations in the central university library and can be verified for use o o rasu medop sonula sO .ralocse ofAÁAcifitnedi ed ofÁtrac ovon nu moe acetolbib me saroh 2 Copy requesting with the N5300 .s923 call number in the Info Desk Library, 63 Fifth Avenue, 6th floor. Beautiful images weaken the 1,200 production pages, not just well known icons, but a wealth of lesser known gems are carefully chosen to demonstrate the points made in the text. Interactive Revelation (US \$ 79.99) Note: The Revelation is a totally digital delivery of Pearson's Content. Art History: A Brief History, 6th Edition The most recent edition of the brief version is the 6th Edition (2016). A more unusual feature is the spacing dedicated to art created by women, such as the late painters of the Renaissance, Anguissola sophonisba and Fontana - This last was invited in 1560 to be an official painter in the Spanish court. The art history of Marilyn Stokstad is a real turning tour, force, its light and humanistic approach is a refreshing change from previous encyclopedic art-historical studies. For instance, line drawings explain technical details, from "Lost-wax Bronze-casting" to "Elements of the Skyscraper." A vast amount of information is presented, but it is very well organized and easy to access, and an extensive glossary answers many questions. Library Reserves TheÁ 5th (2014) and 6th (2018) editions of the textbook are in the Reserves collection at the University Center library and can be checked out for 2-hour in-library-use with a New School ID card.Á Students can request a reserves copy with the call number N5300 .S923 at the library info desk, 63 Fifth Avenue, 6th floor.Á Á The textbook is not available in obook format for libraries. It is global in scope, inclusive in its coverage, and warm and welcoming in tone. There are many delightful surprises among the illustrations, many of which are in color, printed to high quality standards in Japan. The Sixth Edition has been revised to reflect new discoveries, recent research, and fresh interpretive perspectives, as well as to address the changing needs of both students and educators.
